

Min-y-Nant Holiday Lodge

welcome

Welcome to Min y Nant Lodge. The Lodge is a brand new purpose built Luxury Norwegian Spruce Lodge set in a small holiday development (total 18 lodges) in four acres of landscaped grounds with play areas and walks. Min y Nant is surrounded by farmland and is situated on the edge of Llanrhian village overlooking the spectacular North Pembrokeshire coastline in the heart of the Pembrokeshire National Park.

The accommodation is flexible and spacious with 3 bedrooms (a double, a twin and 2 bunk beds) and is ideally suited to sleep 5 adults and 1 child. Heating is under floor electric, with each room having a thermostat to provide complete control of the local environment.

The log cabin has a bathroom with bath and shower, a second toilet and wash hand basin, a large lounge area, dining and kitchen space, and is fully equipped and furnished.

All bed linen is provided and beds are made up with fresh linen ready for your arrival. All heating, lighting and bed linen is included. The lodge is non-smoking and unfortunately pets cannot be accommodated.

Outside, we have a full length sun terrace and garden area for sunbathing. The Verandah decking has a hardwood patio table with six chairs, deck chairs and small coffee table, also a bench table and barbecue is available. There is plenty of parking directly adjacent to the lodge with space for two cars. A charcoal BBQ is provided, complete with barbeque utensils.

Min y Nant is a perfect place to relax and unwind. It is ideal for children; there are no busy roads nearby, plenty of space to play. It is the perfect setting for those who wish to stay in one of our few remaining unspoilt coastal areas. The large grounds have planted flowering shrubs, trees and wild flowers, an open play area. In the valley there is a winding brook which attracts dragon flies. The 18 lodges are spread sensitively over the four acres site, and each Lodge has been carefully located to ensure that a sense of space is maintained.

the location

Your holiday lodge is ideally situated to enjoy all the delights of North Pembrokeshire; the spectacular coastal walks south to St Davids Head and north to Stumble Head, the quiet sandy beaches at Traethllewyn, Abereiddy, Whitesands and Newgale only minutes away.
